“Nothing is ever really lost to us as long as we remember it.”

— L.M. Montgomery, author of *Anne of Green Gables*

Everyone has a compelling story to tell. Unfortunately, many stories and memories wind up fading with time or just forgotten. We create visually and emotionally compelling books that document your stories and memories.

Whether you wish to create a memoir, detailing your life story or you want to celebrate a birthday or specific event, we are here to create a publication that will resonate for generations to come.

TIME FOR MY STORY is based in Thornhill, Ontario but we're happy to interview you and document your stories no matter where you live.

At our site you can download our **FREE MEMORY MAGAZINE**. Simply print out and record your memories.
